

CERTIFICATE OF COMPLETION

THIS CERTIFIES THAT

OGHENEFEGOR FAVOUR UGBINE

has successfully completed the Student Mentorship Programme organised during the International Product Safety Week in 2024.

The Mentorship Programme included full attendance to all sessions during the International Product Safety Week 2024 in Brussels from 14 to 17 October 2024, complemented by one-on-one and group mentorship sessions with the mentors and, as a follow-up action, communicating takeaways from the conference. During this programme, Oghenefegor Favour Ugbine engaged actively in mentorship activities designed to learn more on non-food consumer product safety.
