

CERTIFICATE OF ADMISSION

To whom this may concern, on behalf of the Ecole centrale de Lyon – ENISE and the consortium of the Erasmus Mundus Joint Master meta 4.0, this is to certify that:

Oghenefegor UGBINE,
born the 01/08/1996, passport number B01998302, citizen of NIGERIA

has been successfully selected to join the Erasmus + Erasmus Mundus Joint Master (hereinafter EMJM) meta 4.0, Master in Manufacturing 4.0 by intElligent and susTAINable technologies a joint European master's degree coordinated by Ecole Centrale de Lyon –ENISE, in France, accredited and supported by the Erasmus+ programme of the European Union. This letter is meant as the necessary documentation of acceptance at Ecole Centrale de Lyon – ENISE, financial support and housing guarantee in Saint-Etienne for the application for the student residence permit.

Oghenefegor UGBINE will take full part in this two years, full time, scientific Post-Graduate MSc., **starting on the 04/09/2023**. The academic Programme include a built-in mobility scheme within 6 European Higher Education Institutions (HEIs):

- **Ecole Centrale de Lyon – ENISE in France**, semester 1, from the 4th of September 2023 to the 15th of February 2024
- **Polytechnic University of Turin in Italy**, semester 2, from the 16th of February 2024 to the 15th of June 2024
- A summer school in June/July 2024 at **one of our six institutions in Europe**
- One of the **meta 4.0 Consortium institutions in Europe** for a semester of specialization, semester 3, from the end of August 2024 to the beginning of 2025 (depending on each institution)
- One of the **meta 4.0 Consortium institutions in Europe** during semester 4 to prepare a Master Thesis, from mid-January/ end of February 2025 to mid-June/mid-July 2025 (depending of each institution).

Tuition language of the Programme is English and proficiency of the student in this language was evaluated. Course modules of local language and culture are offered in each hosting HEIs.

This student has been advised to apply to a **2-year French Extended-stay student visa with mobility period in Italy, Slovenia, Germany and Norway, with residency permit (VLS-TS)**. To this end, please note that, in line with the French inter-ministerial circular of January 27, 2006, the student is required to obtain a **student mobility visa marked "Student – Mobility" for the entire duration of the Master programme** through the nearest French embassy or consulate, and apply for a **multi-year residence permit "student – mobility program"**.

In line with Erasmus+ EMJM criteria of academic excellence, this student has been selected after a highly competitive selection process, jointly conducted by the 6 partnering HEIs on the basis of his outstanding academic background and professional track-record. In line with Erasmus+ EMJM selection process, this student application has been officially accepted for the full duration of the Programme, including mobility options in each hosting HEIs and this selection has been notified to the Education, Audiovisual and Culture Executive Agency of the European Commission, notably on the basis of adequacy between the learning outcomes of the Programme and his claimed academic background which authenticity has been checked by hosting HEIs.

This student is considered as coming from a partner country student and Participation Costs is therefore set to 9000 € per academic year (including national tuition fees when applicable) that being 18000 € for the entire period of the programme. On the basis of his absolute ranking during selection, **this student has been awarded an Erasmus + Erasmus Mundus Joint Master Degree scholarship**. This scholarship is composed of two elements, **for a total of 51600 €** to be disbursed during the period of the programme:

EMJM contribution to the student Participation Costs: 18 000 €

EMJM monthly subsistence allowance (1400 € / month during 24 month): 33 600 €

This scholarship covers any cost related to the full participation of the student in the programme. He will be offered a full health and accident insurance coverage for the all duration of the Programme, including international travels from and back to his home country. We will assist the student in finding accommodation at every stage of his mobility. During the first semester in **Saint-Etienne**, the student will stay at **Résidence le Littré, 32 rue Emile Littré, 42100 Saint Etienne**.
