Dear Oghenefegor Favour Ugbine,

Congratulations - your team has secured a Top 5 position in the Sanofi Device Innovation Challenge 2025! On behalf of the Sanofi Device Innovation Challenge Committee, we are thrilled to extend our warmest compliments to you and your team.

Your project stood out among a highly competitive and inspiring pool of submissions from across the globe. The creativity, scientific rigor, technical details and potential impact of your solution deeply impressed our panel of judges. We applaud your dedication to advancing healthcare innovation and tackling some of the world's most pressing medical challenges.

Reaching the top tier of this year's challenge is a remarkable achievement – it's a testament to your vision, collaboration, and commitment to transforming ideas into actionable solutions. You've demonstrated what's possible when bold thinking meets purpose-driven innovation.

As a Top 5 team, you are now part of a distinguished group of innovators shaping the future of healthcare. We are excited to continue this journey with you and look forward to the opportunities ahead – whether it's through mentorship, funding support or partnership possibilities within Sanofi's broader innovation ecosystem.

Please stay tuned for upcoming communications regarding next steps and celebratory events. In the meantime, take a moment to celebrate this achievement – you've earned it!

With sincere admiration,
The Sanofi Innovation Challenge Team
